

Payroll Transit Tax AT A GLANCE

How Much Am I Paying?

The Payroll Transit Tax is 1/10 of 1%. So how much is that? If you earn \$1,000 per week, \$1 will go to transit.

\$214 million

S T A T E W I D E

(Estimate for 2019-2020)

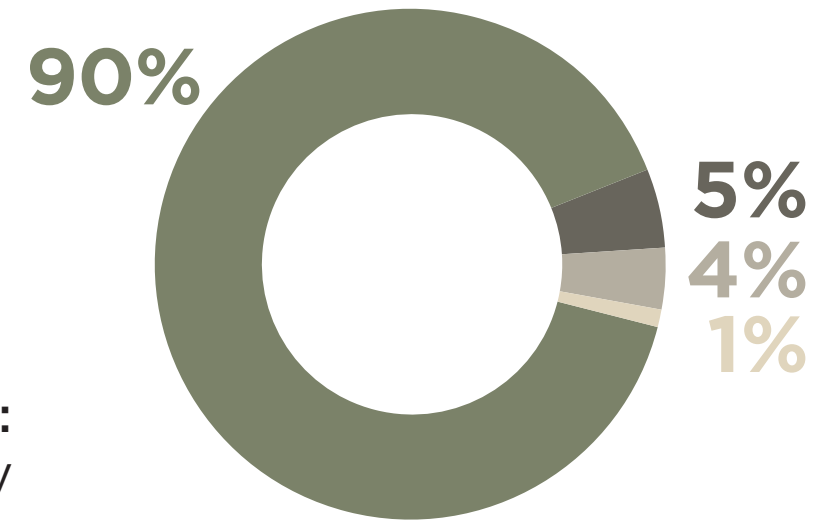

Where Does My Money Go?

Formula: 90% distributed by formula to areas where the tax was generated.

***Discretionary:** 5% distributed through statewide competitive grant process.

***Intercommunity Discretionary:** 4% used to improve community connections through statewide competitive grants.

Technical Resource Center: 1%.

**A 20% match will be required for most applicants for discretionary funds*

How Does This Benefit Me?

- Gives you more car-free options for getting around in Oregon.
- Expands hours and days of service.
- Improves frequency and reliability of service.
- Adds new routes to better connect communities.
- Reduces greenhouse gas emissions.
